Von der Idee ... zum fertigen Produkt

From the idea ... to the final product

Bis ein neuer Igor-Engel geboren ist, geht es ums Tüfteln an Details, Fingerspitzengefühl und viel Freude.

Until a new Igor angel is born, the way is full of fiddling with details, instinctive feel and lots of joy.

Mettere un nuovo angelo Igor al mondo é pieno di meticolosità, sensibilità raffinata e un'immensa gioia.

Pfiat di!
